PO Box 634
Rociada, NM 87742

Spacious home with incredible natural light located within the Pendaries Village subdivision. Home has been designed so all the living can be done on the primary floor, but is spacious enough to accommodate a large family or guests. Lots of extra spaces including a loft, downstairs office and den, large workshop and a carport with interior access. Private location within the community on 2 lots for a total of 2.28 acres. The lots were burned in the HPCC fire in 2022. The damage sits primarily behind the home. A stand of oak and some pine trees remain at the front of the property. Lots adjoin a large ranch to the east with really nice views of the valley. Located approximately 25 miles from Las Vegas, 90 Miles from Santa Fe and 65 miles from Taos. The incredible views at 10 Calle de Tecolote make this the perfect spot for a full time residence or a seasonal mountain retreat. Enjoy the beauty of the Sangre de Cristo Mountains and schedule your showing today!
